

April 2017 Newsletter

Hi Members,

It's been another rough year for us snowmobilers, but we have had some good opportunities to get together off the trails - and we've got another one coming up.

Club News:

- There have been a solid group of club members meeting every Tuesday night at Dean Altmann's shop working on the LMC and it sounds like they're just about to wrap it all up and park it back at Rabska's for the summer. A huge THANK YOU to all of those who contributed and specifically: Matt, Josh, Steve, Jim, Kevin, Jamey and Dean - for letting us use his shop all winter to get the work done.
- Please make sure you get any remaining hours for sign pick up and the like to Kevin asap so we can get all of our funding requests submitted for the season.
- The building committee has been busy as well. They've got some solid plans coming together and decisions on site prep will be discussed at the next meeting. Estimates & plans attached.

Upcoming Events:

- As an appreciation to those who've been volunteering so much of their time to club work - and as a trial run for the JC picnic, we are having a club pizza party at the Village Park on Saturday, April 22nd starting at noon. We'll be cooking up homemade pizzas on a super speedy pellet grill. Please come out and enjoy. This is for families too!
- Sign Assembly: We are considering another sign assembly day at Bob Wiza's barn once we've got everything picked up, date will be decided at the next meeting.

As always if you have any questions feel free to reach out to any of the club officers.

Meetings are held at 7:00pm the third Monday of each month at the Village Park September - April.
